

A very Good morning everyone

Hope all of you are safe and healthy. **Agra Public School 8-10 Old Vijay Nagar** has been providing value based quality education for the last decade we believe in nurturing the students with creativity ethics and confidence. This school has been affiliated in the year July 2019 UP to Senior Secondary. Our mission at Agra Public School fulfils this demand and faces the burning challenges thrown before the society and the young generation. Technical and specialized training is the only means and ways which can serve the purpose of contemporary era. It provides an ideal and healthy atmosphere along with a suitable and positive environment through effective and experiential learning School has well equipped laboratories, richly stocked library, co-curricular activities and nicely maintained multipurpose hall, thus all combined available faculties provide the students with an excellent atmosphere for learning and achieving their goal. Governing body of the school is controlling the multifarious activities of the school with its traditional excellence and quality control. It ensures physical, mental and spiritual growth of the students and create in them thirst of learning. School is focussing to keep our surrounding clean and green as it creates a positive image of the place. Students gave a message to the people of surroundings for the cleanliness under '**Swachh Bharat Abhiyan**' through posters and rallies. Students resolute themselves to keep the surroundings clean, not to waste water and saving energy.

School has a big solar plant system to utilize the solar energy. It also has the rain water harvesting system.

School has its large bus fleet equipped with GPS system and C.C.T.V. Camera to provide conveyance facility to the students throughout the city.

Keeping ourselves up with the pace of modern world of complete digitalization of the school was undertaken which not only enhanced the I.T. Department of the school but also brings in more transparency and enhanced communication with parents through Zoom Meetings and Google Meet in this crises of Pandemic period.
